Mr. Robert F. Lenhart
Committee for Economic Development
1025 Connecticut Avenue, N. W.
Washington, D. C.

Dear Bob:

I enclose my copy of your chapter marked up with some minor suggestions. I also enclose all the letters received from the participants. The only ones that seem to me to call for any action on your part are those from George Brooks and Clifford Case.

The rest of the manuscript is on its way to the printer and I would much appreciate it therefore if you can clean this up in a week or ten days.

Sincerely yours,

/s/

Max F. Millikan
